1. The monthly payment plan consists of 10 payments from September through June.

2. The semester payment plan consists of two payments - September & February.

3. A sibling discount may be taken when the total hours of classes taken is greater than or equal to four hours.

4. To calculate your child's tuition, add the total number of hours/week for your child's dance classes. Find the payment that corresponds with the number of hours/week in the monthly or the semester payment column
